1.Creating Savings Account Action

The screenshot displays the IBM Watson Assistant interface for configuring a skill named 'Create an account'. The interface is divided into several sections:

- Customer starts with:** A section for defining the initial conversation. It includes a text area for entering phrases and a list of example phrases such as "Where do I register for this?", "Where do I find guidance on signing up?", "Where does a first time visitor sign up?", "Where can I register?", "What is the process to making an account?", "What is required to get signed up here?", and "What do I need to do to start an account with your company?".
- Conversation steps:** A sequence of steps for the skill. Step 1: "I can help you with that! To create an account, we will need a few pieces of information. Let me guid..." with a "Confirmation" button. Step 2: "First, please provide your first name." with a "Free text" input. Step 3: "Thanks! Now, enter your last name." with a "Free text" input. Step 4: "Awesome. I'll also need an email address associated with your new account. We will need to..." with a "Regex" input.
- Buttons:** "Continue to next step" buttons are present between steps. A "New step" button is at the bottom left, and a "Preview" button is at the bottom right.

The interface also shows a browser window with multiple tabs open, including IBM, Roundcube, Project Del, IBM-EPBL, IBM Watson, Meet, netbanking, and Sign up for. The URL bar shows a long alphanumeric string. The bottom of the screen shows a Windows taskbar with a search bar and various application icons.
